

Customer Booking Guide

This visual guide follows the complete StayVriksha journey: find a property, choose a room, add guests and facilities, complete the booking, and manage it later from your email or profile.

Stay Type 🏠	What makes it cool? 😊	Who is it for? 👥
Hostels	Super affordable, shared rooms, great community vibes.	Backpackers & Students
Paying Guests (PGs)	Home-like setup, meals often included, cozy atmosphere.	Students & Young Professionals
Hotels	Luxury stays, room service, daily cleaning, total comfort.	Leisure & Business Travelers
Service Apartments	Fully furnished flats with hotel amenities.	Families & Extended Stays
Rented Properties	Long-term lease options to make a place your own.	Families & Long-term Residents

Step 1: Logging in to your Account

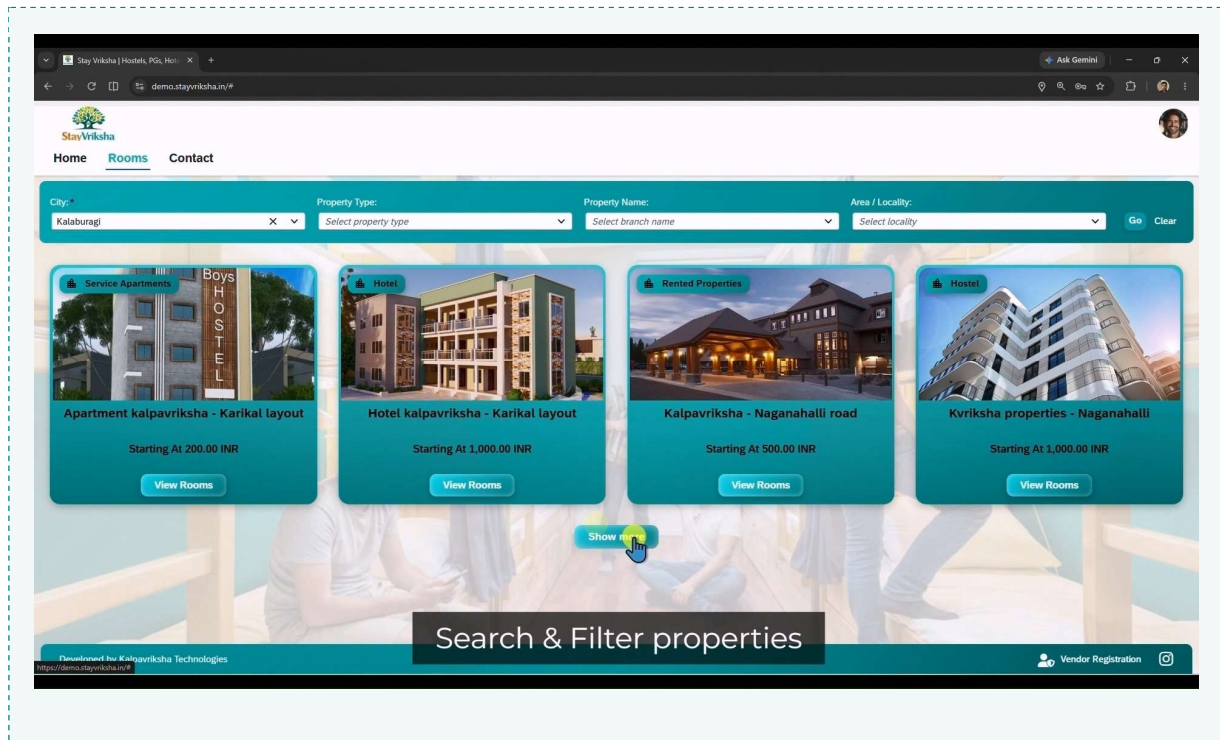

Login in

- **Enter your Email ID:** Start by typing in your email (like your.name@gmail.com).
- **Choose Your Login Mode:** You can sign in using your Password or request a fast, secure OTP sent directly to your inbox.
- **Forgot Password?** No worries, there's a link right there to reset it on-the-fly.

Step 2: Search and Filter Properties

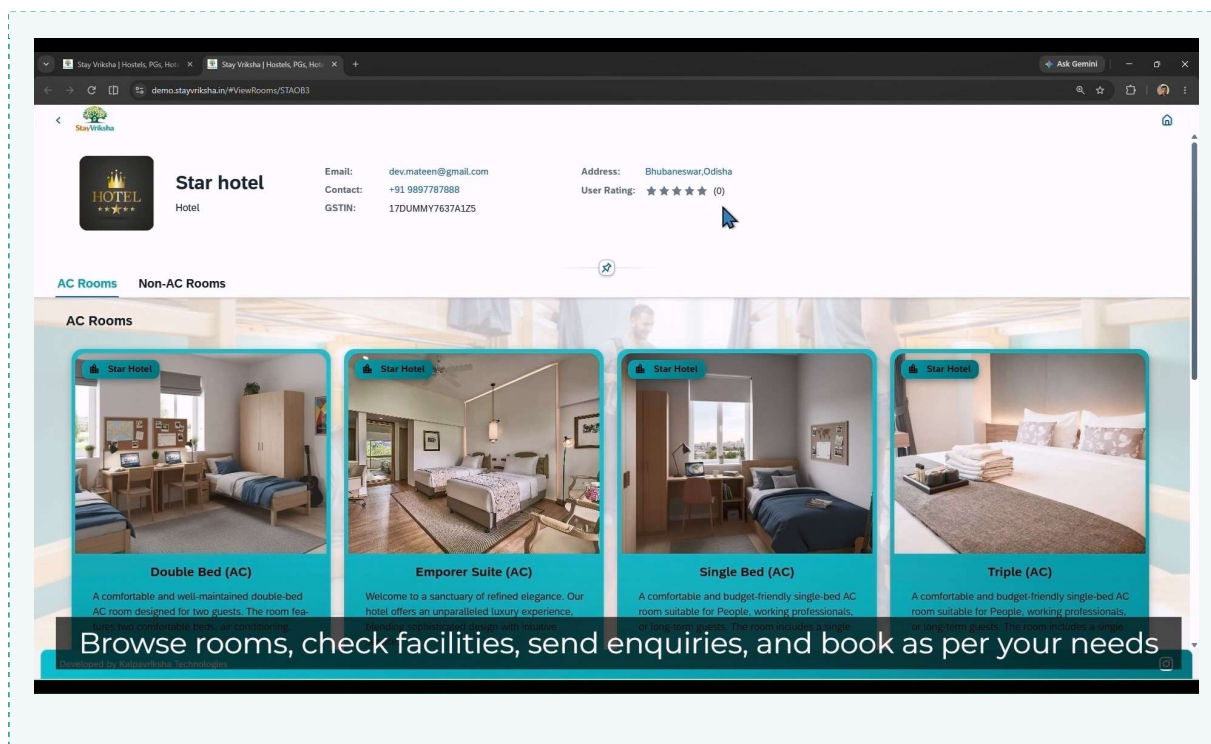

Search controls

- **Select your City:** Choose where you want to stay (e.g., Kalaburagi).
- **Multi-Select Property Type:** Want a PG or a Hotel? You can check multiple categories at once!
- **Narrow Down by Area:** Filter by area/locality or look for a specific property by name to get instant preview cards.

Step 3: Explore Property Cards & Room Lists

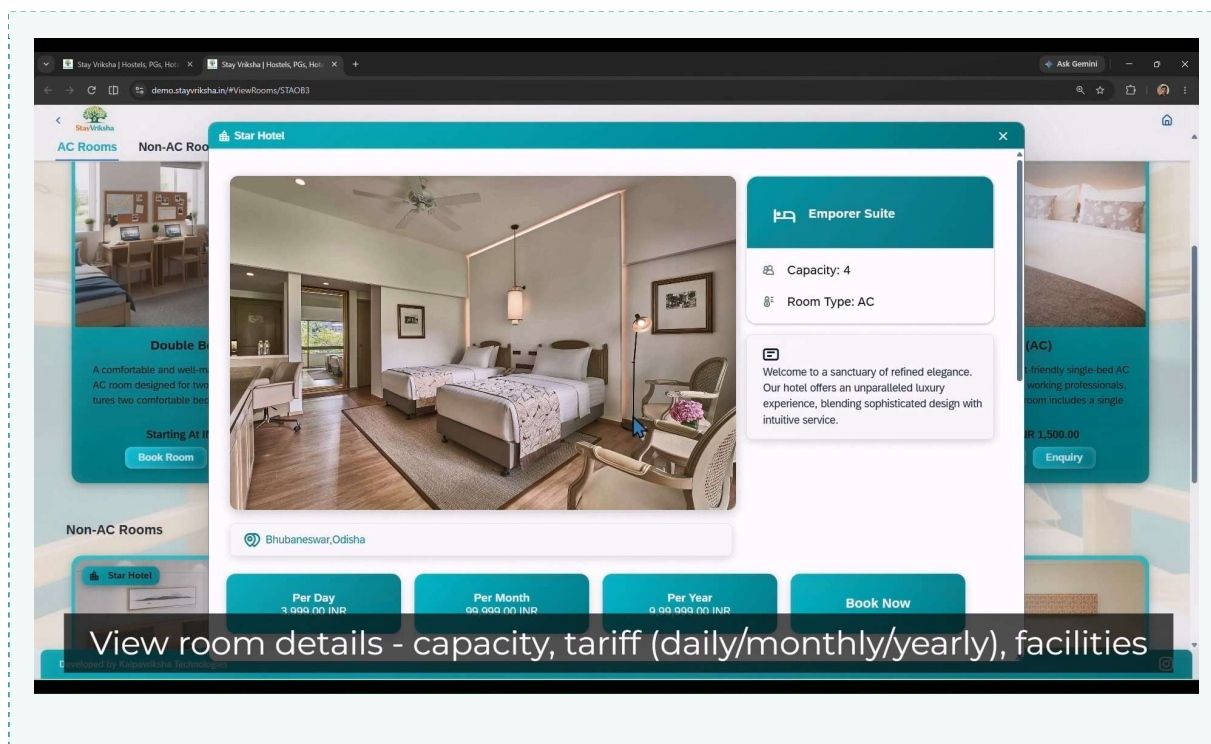

Property snapshot

- **All Key Info at a Glance:** Get the property address, contact email, mobile, GSTIN, and ratings.
- **Compare Room Categories:** Browse room splits (AC vs Non-AC) and check pricing, capacities, and basic descriptions.
- **Book or Enquire:** Ready to secure it? Click to book. Still got questions? Send a direct enquiry instead.

Step 4: Room Detail Modal & Rental Plans 🛏️

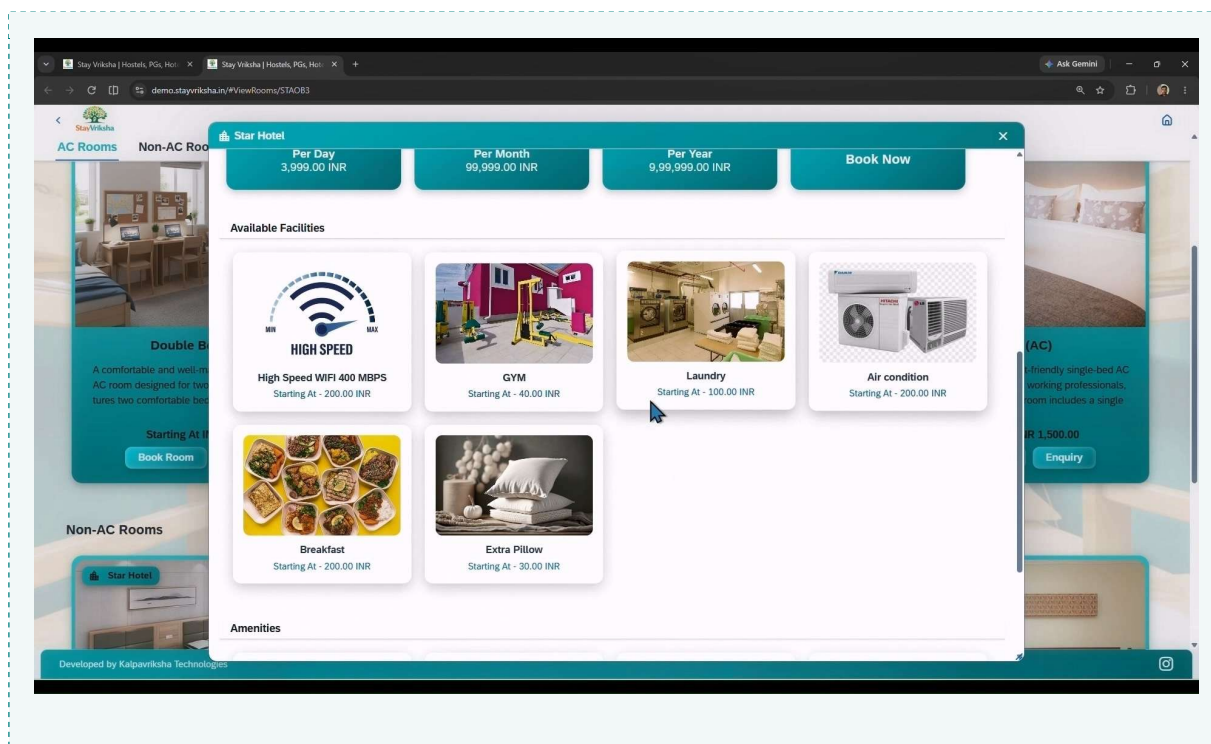

Room snapshot

- **Visual Room Features:** Get a detailed description, the maximum guest capacity (e.g., 1 person for a Single Bed AC, Room type Ac/Non-AC), and layout features.
- **Map Locator Link:** Tap the geographic map link to locate the property's exact location on Google Maps.
- **Flexible Tariff Schedules:** Pick from multiple rent plans - per day, per month, or even per year - to suit your schedule!

Step 5: Checking out Facilities & Amenities 📺

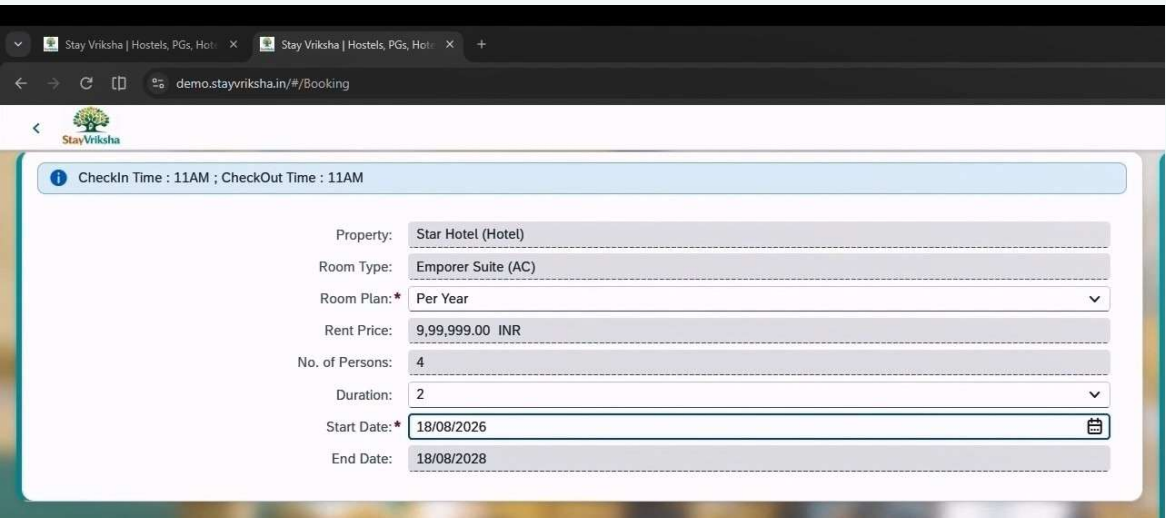

Available extras

- **Tailored Extra Services:** See what awesome perks are available on-site, like high-speed 400 Mbps WiFi, a Gym, Laundry, Air Conditioning, and Breakfast.
- **Clear Cost Transparency:** See the precise flat monthly pricing or per-use cost for each facility before you book.

Step 6: Setting up your Booking Dates & Rules

The screenshot shows a web browser window with the URL `demo.stayvriksha.in/#/Booking`. The StayVriksha logo is in the top left. A blue banner at the top of the form displays "CheckIn Time : 11AM ; CheckOut Time : 11AM". The booking details are as follows:

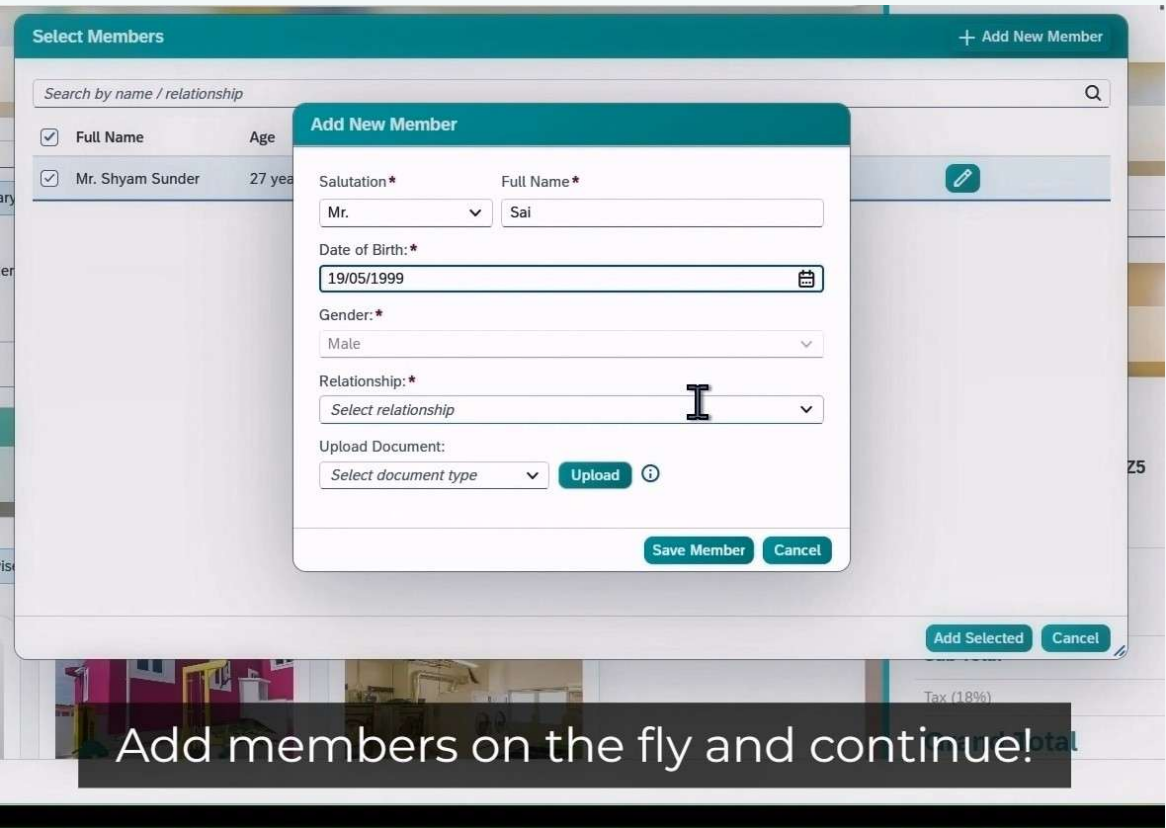

Property:	Star Hotel (Hotel)
Room Type:	Emperor Suite (AC)
