

Room Configuration & Tariff

Welcome! In this, we are focusing on room module in your StayVriksha backend - the Room and Tariff Manager! If you want to keep your property running smoothly, you need to know how to create individual room numbers, set daily, monthly, or yearly rates, and export your inventory. Whether you have single beds in student Hostels or massive master suites in luxury Hotels, this guide has got you covered. Let's jump right in!

Step 1: Heading to the Room Details Module

ADMIN PORTAL NAVIGATION

- **The Admin Homepage:** Once logged in as a property admin, you will see a clean, modern dashboard with interactive action tiles.
- **The Manage Room Tile:** Right in the middle column of the homepage dashboard, click on the Manage Room tile.
- **Operational Objective:** Clicking this tile redirects you to the central room-management page, where you configure individual room numbers, daily, monthly, and yearly tariffs.

Step 2: Navigating the Room Inventory 🔍

ROOM CONTROLS DIRECTORY

- **Multi-Filter Search Bar:** Search for specific listings using the Bed Type, Room Number, and Branch dropdown filters, then hit Go to load the list.
- **Action Command Bar:** Features quick-access action buttons: Change Room No, Create Room, Edit Price, Delete, and Download.
- **The Live Data Grid:** Displays a complete table of all active rooms, highlighting their room numbers, bed templates, daily rates, monthly rates, and yearly plans.

Step 3: Setting Up a New Room +

Manage Room Details

ROOM CREATOR MODAL

- **Property Selection:** Choose your target property (such as Shah Hostel) and select the corresponding bed template (like Double Bed - NON-AC).
- **Room Identity:** Enter a unique alphanumeric Room Number (like A01) to register this specific room in the database.
- **Flexible Pricing Tiers:** Define custom price rates for daily, monthly, and yearly stays, and click Save to publish the room!

Step 4: Modifying Tariffs (Edit Price)

Manage Room Details

Property Name: *
SHAKK8 - Shah hostel

Bed Type : *
Single Bed - NON-AC

Room No: *
A02

Daily Price:
150.00

Monthly Price:

THE TARGETED PRICE EDITOR

- **Secure Edit Price Mode:** Selecting a room and clicking 'Edit Price' opens up this highly optimized modal.
- **Tariffs Only:** To prevent billing errors, only the Daily, Monthly, and Yearly tariff inputs are active. You can tweak rates for holiday seasons on-the-fly!
- **Disabled Fields:** The Property Name, Bed Type, Room Number, and Currency fields are completely locked and grayed out so you don't break existing customer bookings.

Step 5: Swapping Room Numbers (Change Room No)

Manage Room Details

Property Name: *
SHAKK8 - Shah hostel

Bed Type : *
Single Bed - NON-AC

Room No: *
A02

Daily Price:
150.00

Monthly Price:

THE TARGETED ROOM NUMBER SWAPPER

- **Locked Configurations:** If you need to rename a room (e.g., changing A01 to B02), select the row and click 'Change Room No'.
- **Room Field Only:** The Room No input is wide open for editing. Type your new identifier and hit Save to sync the update with the database.
- **Protected Pricing:** All pricing input fields (Daily, Monthly, Yearly) and dropdowns are completely disabled, so you never accidentally modify your active tariffs.

Step 6: Downloading Your Room Inventory

	A	B	C	D	E	F	G
1	Hostel Name	Room Number	Bed Type	Daily Price	Monthly Price	Yearly Price	
2	Shah hostel	A03	Double bed - NON-AC	200.00 INR	3000.00 INR	24000.00 INR
