

Customer: Onboarding!

Hey everyone! Welcome. Let's have a super quick, step-by-step tour of the customer onboarding flow on StayVriksha - your ultimate multi-property stay platform! your stay starts with setting up your official profile. Let's walk through how to register a brand-new account, log in using your password or a fast secure OTP, and add that perfect profile picture avatar to personalize your profile. Let's jump right into the steps!

Step 1: Heading to the Signup Dialog

ACCESSING THE AUTHENTICATION PORTAL

- **The "Signin / up" Trigger:** Look at the top right corner of the home page! Clicking the "Signin / up" button launches the authentication modal instantly.
- **The Dual-Tab Dialog:** The popup initially opens as a standard Sign In window with fields to enter an email ID and login password.
- **The Registration Trigger:** At the top left of the modal is the bright blue "SIGN UP" tab. Just tap that, and the dialog flips into the comprehensive account registration form!

CREATING YOUR ACCOUNT DETAILS

- **Personal Information:** Type in your Full Name, select your Gender, and enter your Date of Birth. This makes sure your profile matches your legal ID for smooth check-ins!
- **Contact and Geography:** Fields for your Email ID, Country, State, City, Contact number, and complete Address ensure your contact details are fully synchronized.
- **Secure Password Creation:** Type your password and confirm it. The system enforces password rules and even provides a handy "Generate Password" tool if you want a bulletproof secret code!
- **Submitting Registration:** Hit the bright blue "Sign Up" button at the bottom of the screen to submit your profile and create your account.

Step 3: Registration Success Pop-Up! 🎉

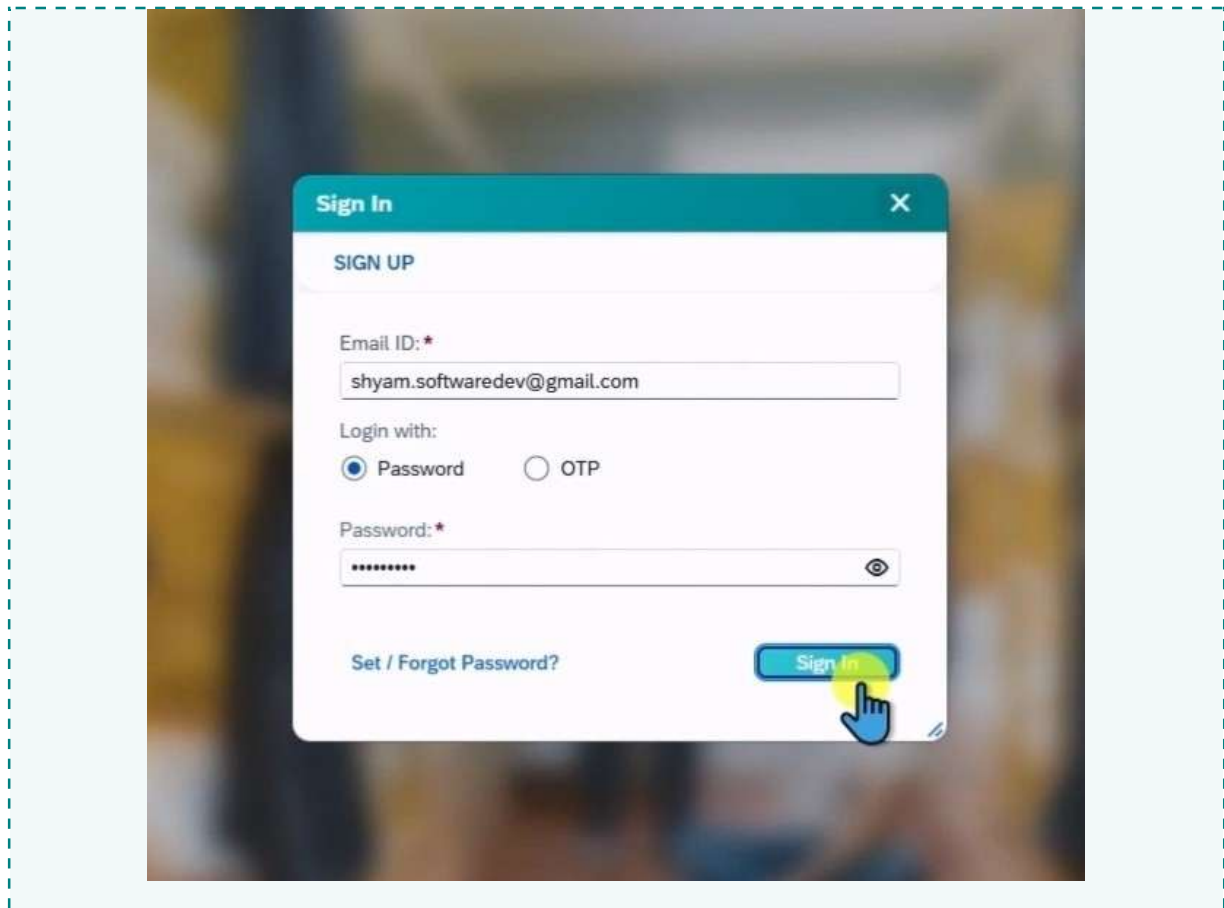

REGISTRATION CONFIRMATION SCREEN

- **Success Message:** Once registration succeeds, a friendly "Success" popup appears on screen saying, "Thank you [Your Name], for registration. Your account has been created successfully!"
- **Dismiss and Transition:** Click the green "OK" button to dismiss the confirmation popup and return to the main sign-in form.

Step 4: Logging in to Your Account!

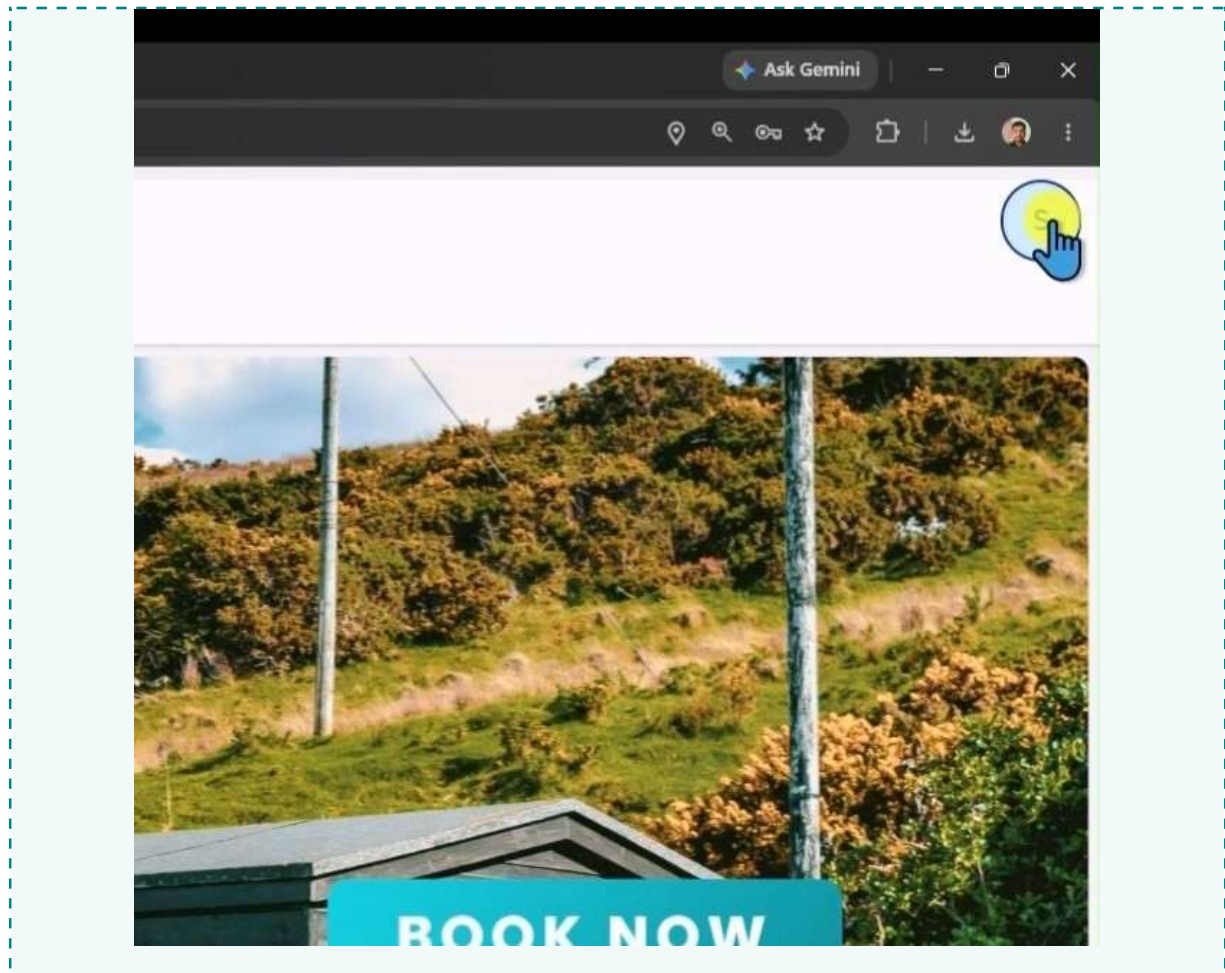

LOGGING IN TO YOUR ACCOUNT

- **Login Methods:** Enter your registered email ID. You have two awesome options to sign in: use your newly created password or request a secure OTP!
- **Entering Password:** Type in your account password. Toggle the eye icon to verify it's typed correctly and click the "Sign In" button.
- **Requesting OTP:** Select "OTP" to have a secure, 6-digit verification code sent directly to your email inbox if you prefer passwordless sign-ins.

Step 5: Meet Your New User Avatar!

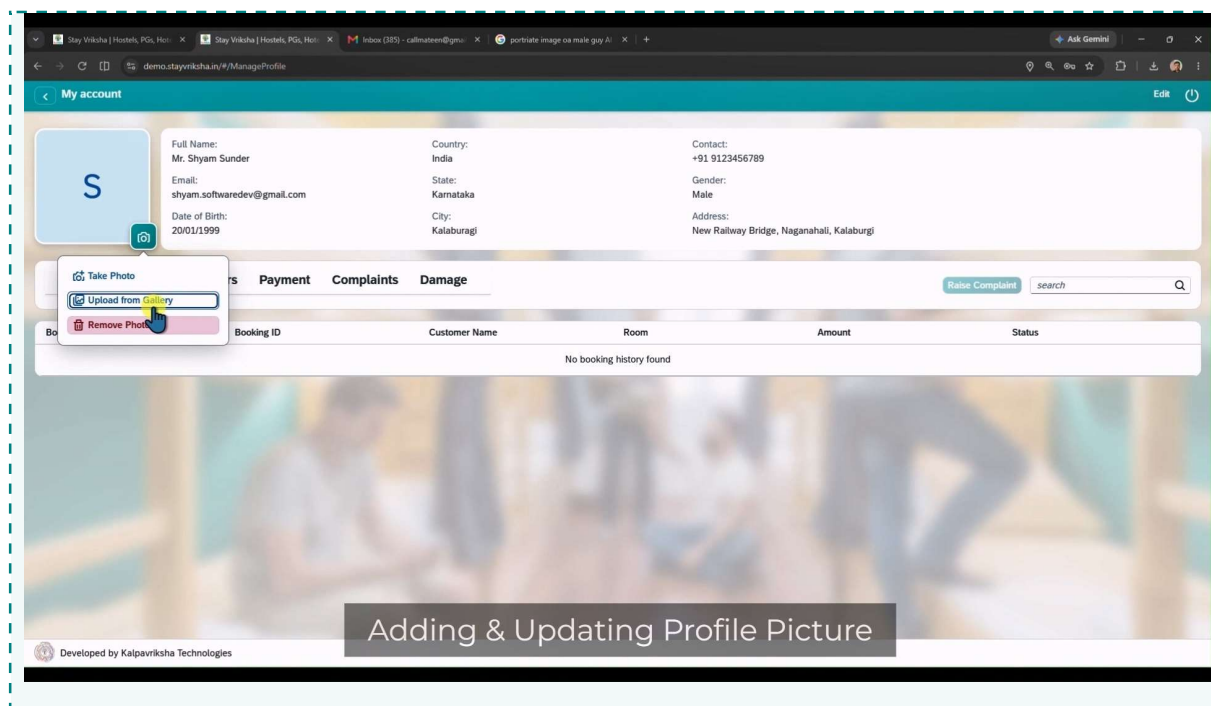

NAVIGATING TO YOUR PROFILE PAGE

- **The Active User Icon:** Look at the top right of the homepage! The old "Signin / up" button is gone, replaced by a neat, personalized circular user avatar.
- **Profile Portal Trigger:** Clicking directly on this avatar takes you straight into your centralized "My Account" profile dashboard.
- **The Account Hub:** From this page, you can check your personal contact data, track past and ongoing booking history, and raise service complaints.

Step 6: Choosing Your Avatar Source! 📷

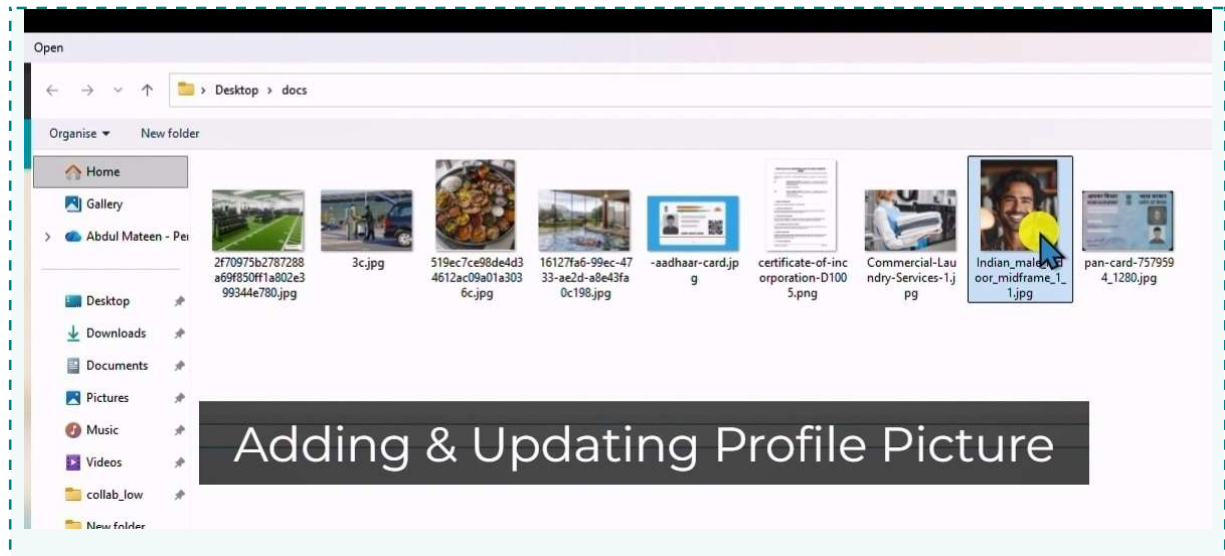

CUSTOMIZING YOUR PROFILE PHOTO

- **The Camera Trigger:** In your profile dashboard, hover over your default letter icon and click the camera button to open your avatar control settings.
- **Take Photo:** Select this option to snap a fresh profile selfie using your device's web camera.
- **Upload from Gallery:** Select this option to browse and upload an existing photo from your computer or phone's gallery folders.
- **Remove Photo:** A quick-action option to delete your current avatar and restore it back to the system default.

Step 7: Selecting Your Best Profile Pic!

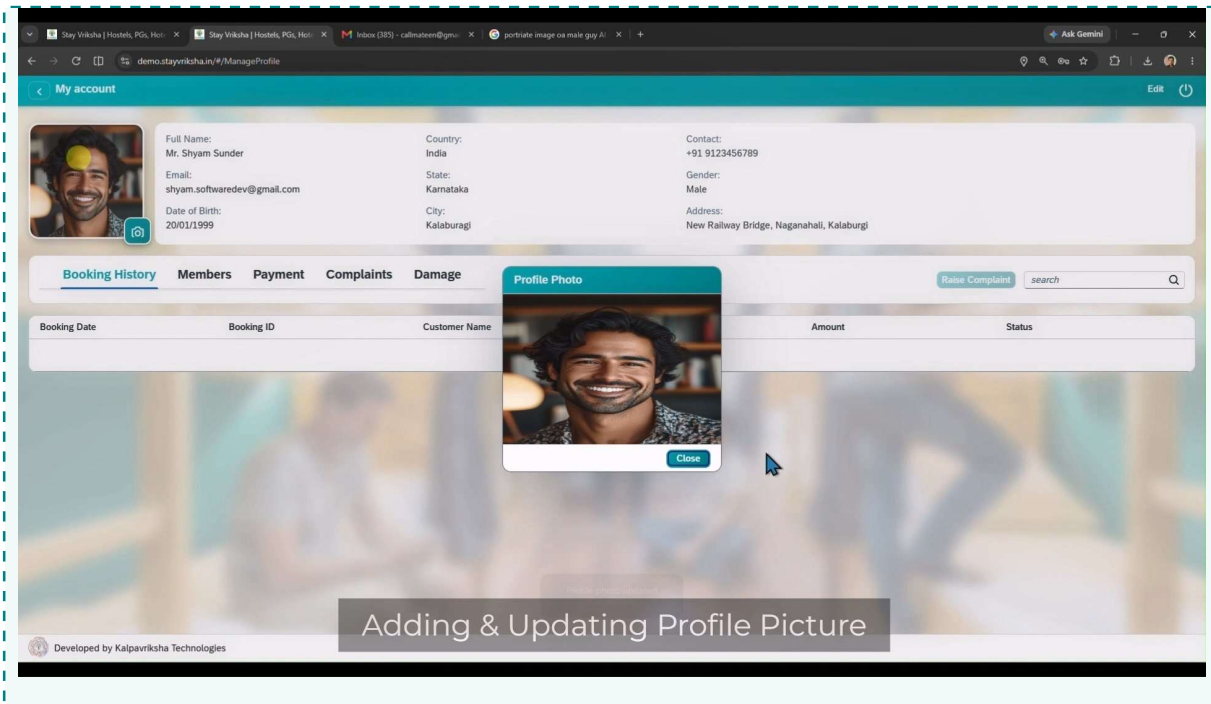

UPLOADING FROM GALLERY

- **The File Browser Dialog:** Clicking "Upload from Gallery" slides in your computer's native file explorer dialog.
- **Supported Image Formats:** The platform supports standard image formats like .jpg, .jpeg, and .png to ensure your avatar looks high-res and polished.
- **Opening the Image:** Simply navigate to your pictures folder, select your favorite photo (such as a clean, head-on portrait), and click "Open" to upload it instantly!

Step 8: Checking Your Brand-New Look! ✨

VERIFYING YOUR NEW LOOK

- **The Fresh Avatar Display:** Your new profile picture is now proudly displayed inside the circular avatar block in your profile dashboard.
- **Personalization Sync:** The uploaded photo syncs across the entire platform, giving your user profile page a customized, professional look.
