

Creating Your Account on Stay Vriksha

What You'll Learn

- How to sign up for a new Stay Vriksha account
- How to review your profile details after registration
- How to add, change, or remove your profile photo
- How to navigate your account dashboard and check booking history

Introduction

This guide walks you through creating a new account on the Stay Vriksha platform, from filling out the sign-up form to managing your profile photo and viewing your account dashboard. It's designed for new users who want to register and get their profile set up quickly.

Prerequisites

- Access to the Stay Vriksha sign-up page
- A valid email address and mobile number
- Basic personal details (name, date of birth, gender, address)

Procedure: Signing Up for an Account

Step 1: Go to the Stay Vriksha sign-up page and locate the Sign Up dialog box in the center of the screen.

Step 2: Under Personal Details, fill in the following:

- Full Name — select a title (e.g., "Mr.") and enter your first and last name.
- Date of Birth — enter in DD/MM/YYYY format.
- Gender — select your gender.

Step 3: Under Contact Details, fill in the following:

- Email — enter a valid email address.
- Country, State, and City — select from the dropdown options.
- Contact — select your country code and enter your mobile number.

Note: Your browser may show autofill suggestions for previously used email addresses or phone numbers. Select one or continue typing to enter new information.

Step 4: In the Address field, enter your full address (for example: "New Railway Bridge, Naganahalli, Kalaburagi"). Autofill suggestions may appear here as well — select one or ignore it and type your own address.

Step 5: Under Create Password, set a password that meets these requirements:

- Minimum 6 characters
- At least 1 uppercase letter, 1 lowercase letter, 1 number, and 1 special character
- No spaces allowed

Enter your password in the Create password field, then re-enter it in the Confirm password field.

Step 6: Click Sign Up to complete your registration.

The screenshot shows a web browser window with a 'Sign Up' form. The form is divided into two main sections: 'Personal Details' and 'Contact Details'. The 'Personal Details' section includes fields for 'Full Name' (Shyam Sunder), 'Date of Birth' (20/01/1999), and 'Gender' (Male). The 'Contact Details' section includes fields for 'Email' (shyam.softwaredev@gmail.com), 'Country' (India), 'State' (Karnataka), and 'City' (Kalaburagi). There is also a 'Contact' field for a phone number (+91 9123456789) and an 'Address' field (New Railway Bridge, Naganahalli, Kalaburagi). A dropdown menu is open for the 'Address' field, showing suggestions like '7-100/18/1/11, bilalabad, near... kalaburagi'. Below the address field is a 'Create Password' section with a note: 'Minimum 6 characters with 1 uppercase character. Spaces are strictly prohibited'. It includes fields for 'Create password' and 'Confirm password', both with 'Generate password' links. A 'Sign Up' button is at the bottom right.

Sign-up form with personal and contact details

Tip: Double-check your email and mobile number before submitting — these are used to identify your account going forward.

Procedure: Reviewing Your Account Profile

Step 1: After a successful sign-up, you're automatically redirected to the My account page.

Step 2: Review your profile information displayed at the top of the page, including your full name, email, date of birth, country, state, city, contact number, gender, and address.

Note: If you haven't uploaded a profile photo yet, the photo section shows the first initial of your name instead.

You're all set — your account is created and your details are saved.

Procedure: Adding or Changing Your Profile Photo

Step 1: Click on the profile photo area (shown as your initial if no photo is set).

Step 2: Choose one of the following options from the menu that appears:

- Take Photo — use your device camera to capture a new photo.
- Upload from Gallery — select an existing photo from your device.
- Remove Photo — delete your current profile photo.

Profile photo options: take photo, upload, or remove

Step 3: Select your preferred option to update your profile photo.

Procedure: Viewing Your Account Dashboard

Step 1: From your account page, review the available dashboard tabs:

- Booking History (shown by default)
- Members
- Payment
- Complaints
- Damage

Step 2: Under Booking History, check the table showing your Booking Date, Booking ID, Customer Name, Room, Amount, and Status.

Note: If you have no bookings yet, you'll see the message "No booking history found" instead of a table.

Step 3: Confirm that your updated profile photo appears in the profile section.

Account dashboard with profile photo and booking history

Conclusion

You've successfully created your Stay Vriksha account, reviewed your profile details, set up your profile photo, and explored your account dashboard. From here, you can start booking rooms and tracking your activity through the dashboard tabs.

FAQ

Q: What are the password requirements for sign-up?

A: Your password must be at least 6 characters long and include 1 uppercase letter, 1 lowercase letter, 1 number, and 1 special character. Spaces are not allowed.

Q: Can I change my profile photo after signing up?

A: Yes. Click on the profile photo area on your account page and choose Take Photo, Upload from Gallery, or Remove Photo.

Q: What happens if I have no bookings yet?

A: The Booking History tab will display the message "No booking history found" until you make your first booking.

Q: Why am I seeing autofill suggestions during sign-up?

A: Your browser may suggest previously used emails, phone numbers, or addresses to save you time. You can select a suggestion or type your own information.

Q: What tabs are available on my account dashboard?

A: You'll find Booking History, Members, Payment, Complaints, and Damage tabs on your account page.
